Denver Area Testing Consortium
Applicants to Lower School for the 2020-2021 school year

OVERVIEW

Graland Country Day School, St. Anne’s Episcopal School and Colorado Academy have compiled this list of evaluators to provide a comprehensive list for families interested in pursuing admission to these schools. You are welcome to choose a licensed psychologist who is not a consortium member to conduct your child’s evaluation; however, please be aware that the reduced testing fee may not then apply.

DESCRIPTION: These evaluators administer the DAS II (Differential Abilities Scale), the WPPSI-IV or WISC-V. These are cognitive assessments conducted on a one-to-one basis. For our purposes, these are not designed to be comprehensive evaluations, but rather a screening for admission.

RESULTS: The evaluator releases the test results to you and to the school(s) you designate on your registration form. To discuss your child’s results in more depth, a separate interpretive session may be arranged between you and the psychologist for an additional fee.

FEE SCHEDULE: Please send the $170 testing fee directly to the evaluator prior to your scheduled appointment or bring payment with you on the day of the testing. If you are a candidate for financial aid, please tell the evaluator when you schedule your appointment and contact the Admission Office at Graland Country Day School, St. Anne’s or Colorado Academy to discuss payment options.

CANCELLATIONS: You may cancel your testing appointment with at least two days’ notice for a full refund of the testing fee. With less than two days’ notice, there will be no refund. In the event of illness or family emergency, you may reschedule the appointment with no additional charge.

REGISTRATION:

1. Complete the application(s) for admission to the school(s) of your choice.
2. Select an evaluator and call them directly to make an appointment.
3. Prior to your appointment, complete and mail the registration form below, along with a check for $170, to the evaluator with whom you have scheduled testing.

Testing must be completed and results submitted to:
Colorado Academy by January 31, 2020
St. Anne’s by January 31, 2020
Graland by February 1, 2020

SUBMISSION: After the testing is completed, the evaluators will send the results to both you and the applicable school(s). Graland, St. Anne’s and Colorado Academy will upload the results to your admission file. You are also welcome to submit the results yourself, by logging in to the school’s websites and uploading the results via the admission checklist.

NOTIFICATION: Lower School Admission decisions will be sent by email and mail on Tuesday, March 3, 2020.

DENVER AREA TESTING CONSORTIUM REGISTRATION FORM

Child’s Name: _______________________________   Birthdate: _______________________________

Male / Female (circle one)   Applying for grade: _______________________________

Parent/Guardian Name(s): ____________________________________________________________

Phone Number(s): _________________________________________________________________   Email: _______________________________

Address: _______________________________________________________________________

Will you be applying for financial aid at Graland, St. Anne’s and/or Colorado Academy?: YES / NO (circle one).

Please enclose a check for $170 made payable to the evaluator with whom you have scheduled an appointment. Please be sure that the evaluator receives this registration form and payment prior to or on the date of your appointment. Please indicate which school(s) should receive your child’s scores:

Parent/Guardian Signature ___________________________________________   Date _______________________________
Denver Area Testing Consortium

Applicants to Lower School for the 2020-2021 school year

These evaluators are independent professionals who have agreed to participate in admission testing for Graland Country Day School, St. Anne’s and Colorado Academy. Each operates independently from the schools.
